

MEMORANDUM FOR: Mr. James N. Juliana
Assistant Secretary of Defense
Department of Defense
Undersecretary for Logistics, Manpower, & Reserves

SUBJECT : Central Intelligence Agency
Military Reserve Program

1. This Agency recently reviewed its Military Reserve Program and its function to see if it is complying with proper reserve regulations and procedures, and to determine its purpose in the event of war. During this review, it was discovered that many of the memorandums of understanding which were coordinated with the military in the 1950s when the reserve program was established, are now outdated or have not been reviewed or revised since that time. Accordingly, we now request that you review our approved program and advise your concurrence and/or comments.

2. Upon concurrence, this MOU will become the official agreement between CIA and Department of Defense concerning the use of Agency reservists in time of war.

MEMORANDUM OF UNDERSTANDING

SUBJECT : CIA's Military Reserve Program

The purpose of this memorandum of understanding is to define the wartime role of military reservists assigned to the CIA's reserve program:

1. In the event of total mobilization or war, all reservists now employed by CIA and assigned to the Agency's reserve program will be mobilized to the Director of Central Intelligence.

2. Those reservists who are not considered vital to the Agency's mission by the DCI will be released to DoD for assignment within the appropriate military service.

3. Although it is not anticipated at this time that CIA will require large contingents of military personnel during a wartime situation, the DCI may request from DoD, selected military personnel with unique specialty skills for assignment to CIA. CIA, in turn, will make Agency reservists available to DoD if their particular military specialty is more vital to the DoD mission.

This memorandum of understanding becomes effective when signed by the appropriate CIA and DoD representative. It may be reviewed at any time and revised by mutual consent if situations warrant.

Paul,

here is the draft
I spoke with you about
concerning an agreement
between CIA + DoD
on Reserunts.

you may change it
as you like, of course, but
I do believe a formal
arrangement or agreement
should follow the
decision on the Reserene
Program. Let me know
if you have any questions.
